Thanks Andy. I have been named to be EPA POC on State Task Force on Ukraine and environment but it has not met yet. Katherine Buckley will be staffing me on this effort when it starts. In the meantime, OHS and OER are deeply engaged on Ukraine as well. While Katherine is out on leave this week, Negin should feel free to contact Katherine when she returns. As of now, I do not have much to offer.

Mark-

Nice to see you on the Teams screens from time to time...

Are you / OITA involved with some sort of interagency group on environmental issues in Ukraine? If so, and in fact regardless, I wanted to connect you with Negin Mostaghim who I worked with in my OECA days and is interested in learning more about such an effort. Negin has done some workshare stuff with OITA and also has some other cool international work on her resume. Plus she is just great all around and if you are looking for folks to pitch in on a Ukraine support effort, the two of you should talk.

Best,
Andy
